## Four is Fine, but Five is Divine Congratulations Kensington at Anna Maria of Aurora

Aniya West (left) and Tiffany Bland are so proud of this accomplishment!

**C**ongratulations Kensington at Anna Maria of Aurora on Achieving 5-Stars! For the last several years, Kensington at Anna Maria has been a 4-star facility (as ranked by Medicare). This star-ranking is based on survey performance, quality measures and staffing. Over the last year, we have been successfully able to steadily increase our quality scores. Thanks to all the hard work of KENSINGTON STAFF MEMBERS, we are now officially a 5-STAR Facility, joining our sister building, Anna Maria. We are excited to share this outstanding news with the community.

### A Very Happy and Healthy New Year to All!

Cheers to a new year and another chance to “get it right.” May “normal” be a big part of 2022, along with much happiness and as always, good health. Thank you for allowing us the privilege to care for your loved one.

### Annual Tree of Remembrance Ceremony Goes Virtual this Year

Due to the ongoing issues associated with Covid-19, the decision was made to have a virtual ceremony this year.

# Diana Haney

Diana, also known as Lady Di, was born on May 15, 1932, to Andrew and Clara Wilcox, in Bennington, Vermont. She was the middle child of three daughters. Her mother, Clara, was a twin, and had high hopes that one of her daughters would have twins (or even triplets). No such luck! The “double trouble” stopped with Clara. Diana had a nickname all throughout high school: Smoochie! Need to ask Diana where that nickname originated!

Diana met her future husband, Richard, while attending Heidelberg College in Tiffin, OH. They both transferred to THE Ohio State University in Columbus. After graduation, Diana and Richard married and moved throughout northeast Ohio, with Richard serving as a minister at several Methodist congregations in Rock Creek, Howland, Aurora, Madison, Euclid, and Lorain. The couple was blessed with four lovely children - Darrell, Dawn, Deb, and Dwight - in fact, all four born within six years! As you might expect, Diana was quite the domestic engineer. So busy, in fact, she never had time to obtain a driver's license. When the kids were of school-age and involved in after-school activities, Diana knew it was time to get that “license to drive.” She took her driving test with her husband and four children standing on the curb by the finish line. Her family cheered, very loudly, when Diana pulled up to the line with the examiner. No one really knows for sure whether Diana actually

passed with test, or if the examiner couldn't bear to fail her in front of her cheering family!

After all the kids were in school, Diana worked as a substitute teacher on a regular basis. Some of her kids were happy to see her at school, while the others were a little less than thrilled. After subbing for many years, Diana worked at the local bank as a mutual funds advisor. She excelled at this profession, passing the test on her very first try. Diana was the recipient of several prestigious awards, including a trip to California.

In 1990, Diana and Richard retired, relocating to Pine Island, Florida, just off the coast of Fort Myers. After a few years, they moved to Lakeland, FL, building a beautiful home in the Huntington Hills golf community. In 2011, the couple moved back to Aurora to be closer to their two youngest children, Deb and Dwight.

Diana moved to an apartment here at Anna Maria in March of 2019, and she couldn't be happier with her decision. She has made many friends, and enjoys all the wonderful activities, especially anything music-related. By the way, Diana is a wonderful dancer. She has a sense of security and community at Anna Maria, and is grateful for the assistance she receives when needed. We are thrilled to have this lovely lady here with us, and wish her continued good health and happiness.

## We are Santa's Elves

**A** aah, the beloved song from Rudolph the Red-Nosed Reindeer! A beloved tradition here at the Campus of Anna Maria is for our employees to purchase small but meaningful gifts for our residents. Santa and his Elves (aka the activities staff) distribute these gifts the morning of Christmas Eve, roaming the halls spreading laughter, good cheer, and merriment to all. It's truly wonderful to witness the big smiles on our residents' faces as they open their gifts. PRICELESS! Many, many thanks to those employees who participated in this gift-giving activity.

Have you been good Osie? asks Santa – you bet!

Ellen R. gives a thumbs up – loves her gift!

Don't shake that box Earl!

For me? asks Mary Lou T.

## Tree of Remembrance Ceremony Goes Virtual

**D**ue to ongoing issues with the Covid-19 pandemic, a decision was made to have a virtual ceremony this year. This special occasion is a time to reflect and remember those residents who passed this previous year. Each resident's name is called, and the family comes forward to hang a personalized placard on the tree. Family is then presented with a keepsake ornament engraved with their loved one's name. This year, staff members hung the placards on the tree, and ornaments were mailed to family, along with a link to view the virtual ceremony. All in all, we were very pleased with the quality of this virtual ceremony, and believe the sentiment came shining through clearly. We have received many positive comments from families. We hope (and pray) to resume our regular ceremony next year.

## Spreading Good Cheer to All!

**C**heers – here in the U.S., cheers means offering a toast for happiness. Overseas, cheers simply means thank you! At Kensington, we used the latter as a way to say thank you to our staff for providing such excellent, 5-star care to our residents. Small bottles of non-alcoholic sparkling wine were adorned with a “Cheers” placard and distributed to staff members, who were so very appreciative. Keep up the good work, and these small tokens of appreciation will keep coming. Cheers!

## Donut Breakfast Club

**R**esidents at Anna Maria enjoyed donuts, coffee, and engaging conversation during “breakfast club” one fine sunny (but chilly) morning.

## Santa's Newest Reindeer?

**N**o, that's just Moo, an Olde English Bulldog owned by Angie Stockman (Medical Records) at Kensington. He's adorable, isn't he? Moo helped spread Christmas cheer in exchange for hugs, pats on the head, and a few treats.

Moo... what a great dog!

## Busy, Busy, Crafting, Crafting

One of our favorite activities, crafting, is always more fun during the holiday season, and December brought about a plethora of “cool” crafts like gingerbread houses, tinsel candy canes, mason jar luminaries, and foam gnomes. Our talented activities staff is always on the hunt for fun and creative ideas for our residents to enjoy, not just at Christmas, but all year round.

## Kick-Start your New Year with a new and healthier YOU!

### Healthy advice from Sue Kocin - Registered Dietitian

So what were you busy doing during the holidays? Eating and drinking a bit too much? Shelving your exercise routine (what exercise routine)? Many if not all of us easily slip into “bad habits” during the holiday season. Now that the holidays are over, it’s time to get back on track, with a little help from Anna Maria’s registered dietitian, Sue Kocin. Here’s a bit of good, healthy advice from Sue.

***Email her with any questions,  
skocin@annamariaofaurora.com. Thank you Sue!***

The average person gains only about 1# over the holiday season, however, this weight is typically not lost over the following year, and adds up year after year.

Don’t heap food on your plate, and think twice before having second helpings. Check food labels for serving sizes and stick to them.

It’s hard, but try to increase your daily water intake. If you absolutely hate the taste of water, carbonated waters (like La Croix) are just fine.

While eating, SLOW down and DON’T eat in front of the television.

Top salads with nuts or seeds instead of croutons. You’ll still get that nice CRUNCH – aim for oil-based dressings instead of cream-based.

Switch up your yogurt from sweetened with added fruit to plain, low-fat yogurt – add your own fresh fruit instead.

Make half of your dinner plate COLORFUL – broccoli, spinach, cucumbers, celery, peas, peppers, carrots, strawberries, blueberries.

Walk, walk, and walk some more, with a goal of 10,000 steps. Many great walking videos are available on YouTube.

Please feel free to contact Sue with any additional questions on how to get healthy this new year!

# Assisted / Independent Living

*A look at what is going on...*

## The Voices of Angels

**M**any thanks to Lorraine Tucker, our pianist and group leader, and all the amazing voices of our Christmas Choir, comprised of our assisted and independent living residents. After months of dedicated practice, they performed a lovely sing-a-long for the other residents as well as employees. Activities assistant Jazmin Williams joined in the fun as a little drummer boy! The Mormon Tabernacle Choir might have a bit of competition on their hands!

Lorraine Tucker (foreground) – the leader of the pack!

Thanks for being a great drummer Jazmin!

## Our Winter Garden

**T**he plants growing in our new indoor greenhouse are doing really well. In the spring, we will start vegetables from seeds. Hoping for a bounty of fresh produce!

## Bob Evans, Down on the Farm

**M**any thanks to the good folks at the Bob Evans in Bainbridge for accommodating our group so nicely. Along with a corner table away from traffic, the server was fully-vaccinated and wore a mask for our safety and hers. Always a good meal at Bob Evans.

Jazmin, Joe V. Ann F. let their food digest – so good!

Mary S., Ginger O., Ernie Q.

Dick and Emily Durbin – those smiles tell you what a great meal it was!

## That's One Tired Dog!

**D**ecorating for the holidays can be tiring, however, how much work did Bowie (in-house therapy dog) actually do? We did take advantage of his tail during his nap, adorning it with ornaments and a star!

Let sleeping dogs lie....

## What a Lovely Evening!

Assisted and independent residents gathered together for our annual Christmas party. The only difference this year? Unfortunately, the party was limited to residents only; no family members. We know what to blame for this. Though the gathering was smaller than usual, that did not take away from all the fun, laughter, and overall good time. Santa (Stephan Lajko, Dining Services) stopped by to wish everyone well (and take a few pictures), and dinner was top-notch: Carved Prime rib, twice-baked potato, asparagus, and a most delicious tiramisu for dessert. Many thanks to all those “behind the scenes” folks who helped make this such a special evening for our residents.

## Honoring our Veterans

A few of our residents were invited to join a veterans service at the Aurora High School. Those in attendance enjoyed a most delicious lunch (catered by Mazzulo's), great speakers, and lovely music by the choir and orchestra.

Lisa McFarland (activities), Rudy Kastelic, Mary Sand

## Candlelight Evening at Ernie's House

The holiday season would not be complete without a visit to Ernie Quesenberry's house. Ernie, a bus driver and activities assistant, hosted a lovely evening at his home in Streetsboro. Residents enjoyed viewing all his amazing decorations, shared holiday memories, and munched on delicious snacks. Many thanks to Ernie for opening up his beautiful home for us to enjoy.

What an exciting game against Utah! After a weak performance in the first half (and playing without 15 of their starters), the buckeyes came alive, beating the Utah Utes 48 to 45! The OSU Buckeyes have played in the Rose Bowl 15 times, with this certainly being the most action-packed. \*\*\*\* Are you big fan of college football playoffs?
