Congratulations Sharon Rine on 25 Years of Dedicated Service!

Happy 4th of July!
Eat a hot dog, watch fireworks, and count your blessings for being a citizen of the greatest country on earth – the United States of America!

Sharon Rine, Nurse Aide Helper, recently celebrated a very special anniversary – 25 years of service with our campus. Only a handful of employees have reached this amazing milestone. Sharon was surprised with a pizza party, cake, gift card, and an engraved mantel clock. We so appreciate Sharon’s hard work and dedication to our residents and families. Congratulations!

EDWARD ROGERS, JR.

Four Generations

Edward (center) with his two sons

Son Larry's wedding day

Escorting daughter Margie on her wedding day

He's a huge baseball fan; if a game is on television, he's watching it!

Edward Rogers, Jr. was born on November 26, 1930 (the day before Thanksgiving) in Cleveland, OH, to parents Edward and Mary Rogers.

Sadly, his mother passed away when Edward was a few years old. Thankfully, his maternal grandmother, Bertha Parker, stepped in and helped raise Edward and his sister. Edward attended East Tech High School, and after graduation, found employment at Kronheim's Furniture Store. He also found love when he met his future wife, Eveline, at a candy store. How sweet is that! The two married at age 19. They settled in happily as husband and wife, and were blessed with two wonderful children, Ronald and Margaret.

Though Edward enjoyed his job at Kronheim's, he worked at a few other places before finding real fulfillment in the shipping department at Joy Manufacturing Company in Solon, where he worked for 22 years before retiring.

Sadly, Eveline passed away in 1964. Her sister stepped in to help care for Ronald and Margaret. Edward did find love the second time around, marrying a lovely woman named Gennie. The couple had two children, Tonita (Toni) and Larry. Edward, Gennie, and the kids (including Gloria,

Gennie's daughter from a previous marriage) moved to Cleveland Hts in 1978. Such a wonderful community with great schools and parks; definitely an ideal place to raise a family, and that they did.

Edward experienced tragedy once again with the loss of Gennie in 2006. He did not find love a third time around, and remained in Cleveland Hts. until 2018, when he moved to an assisted living facility in Macedonia. Edward relocated to Kensington at Anna Maria last year after suffering a mild stroke.

Two words to describe Edward? A "homebody" and "workaholic" who loved his family and provided for them his entire life. He's a huge baseball fan; if a game is on television, he's watching it (if not baseball, then soap operas). Loves reading every inch of the newspaper from front to back. If not watching TV or reading the newspaper, Edward listens to music, his favorite being Big Band, R & B, and Aretha Franklin. We hope God will continue to bless Edward with good health and happiness. We are happy he's here with us. He has lots of family support – lots of visits, hugs, and LOVE.

This special day to recognize dad or a father-figure is celebrated on the third Sunday of June. All the men on our campus enjoyed a really nice afternoon enjoying hot soft pretzels, root beer (Dad's root beer of course), Father's Day trivia, and wonderful entertainment by Big John and Memory Lane Radio. Each dad received a special tie-shaped blue sugar cookie to enjoy later on. Many thanks to our wonderful activities staff for all of their hard work planning such a nice afternoon for our dads.

Congratulations Jill Andrikanich!

Congratulations to Physical Therapist Assistant (PTA) Jill Andrikanich on celebrating 5 years of service with our Family Tree Rehab Services division of Anna Maria. Thank you for dedication to our residents. Jill is one reason why our residents can return home soon after a rehab stay.

What a pretty cake!

Get Out of the Heat!

It may be hot outside, but it's nice and cool under the shade of the lovely gazebo in the main courtyard at Kensington at Anna Maria. It's a great place to read a book, enjoy a lemonade, or just relax, like Mary Lou G. and her husband, Engel. Another gazebo is located in the Southwest courtyard, and yet another in the Arborview courtyard at Anna Maria. These gorgeous gazebos were made by a local Amish company. Come check them out. You, too, can relax and enjoy along with your loved one.

A Winning Combination

Our Lady of Perpetual Help Catholic Church here in Aurora recently held their annual service day, and a group of volunteers spent time at Anna Maria playing Bingo, a most favorite activity, with our residents, followed by an ice cream social. Our residents were so appreciative of the gift of time and fellowship. Thank you!

Here Comes Wind!

The granddaughter of Anna Maria resident, Ethel DeJovine, has an adorable goldendoodle puppy named Wind, named after the Wind River Mountains in Wyoming. He's a frequent visitor to Anna Maria and brings much love and happiness and joy to our residents.

Happiness is a Day at the Beach...

The tide came in, bringing along with it sand, sun, and pretty drinks. Oh, and music, too! Kensington at Anna Maria residents had an awesome time celebrating “Beach Week,” with a fun, “beachy” activity each day of the week, ending with live music and tropical virgin drinks. We can’t wait for the tide to come in again!

All Problems Can be Solved with Ice Cream!

Every other Thursday employees enjoy “payday ice cream” in the break room. We figure, why not let the residents enjoy ice cream too? And that they did. Chocolate and caramel sauce along with sprinkles made it even more enjoyable and delicious.

Rosemary R. – what a smile!

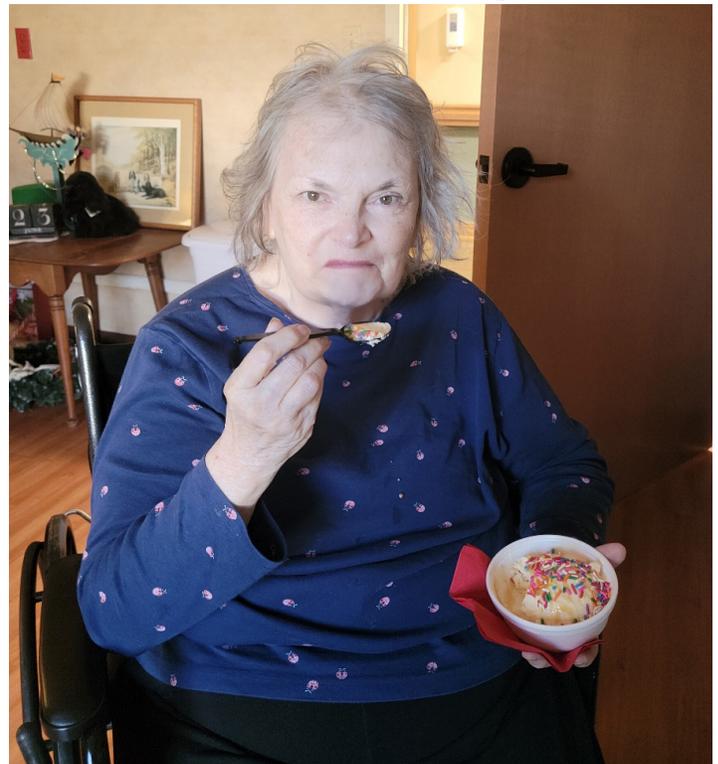

Walter S. – another great smile!

A Fun Afternoon at Pymatuning

Pymatuning State Park is a popular vacation destination on the Ohio-Pennsylvania border, well-known for its superb outdoor activities. One of the largest warm water fish hatcheries in the world can be found north of the causeway including the famous Linesville “spillway.” Fun can be had feeding the carp; some days, the carp is so plentiful the ducks walk across their backs (or so says the legend). Kensington residents enjoyed a wonderful afternoon feeding the carp and the ducks. Weather cooperated nicely, with cool breezes coming off the lake.

A LOOK AT WHAT IS GOING ON...

Ernie Quesenberry's Legacy

We are still mourning the loss of long-time employee Ernie Quesenberry (activities / bus driver) who passed away last month after suffering a stroke. Ernie was an avid gardener and loved flower arranging. Though it was not the same without his guidance, residents did a pretty good job of arranging these beautiful flowers. Rest in Peace Ernie; we will never forget you.

Off to a Terrific Start!

Our flower and vegetable gardens are off to a terrific start! We are hoping for a bounty of fresh vegetables to enjoy soon! Our residents take great care of these lovely gardens.

Celebrate Good Times... Come On!

We all enjoyed a fun concert under the Gazebo at Veteran's Memorial Park in Aurora. The band, Celebration, played music from the 50's and the 60's.

Bowie with Marion S. (left) and Marie R

Every Friday, residents enjoy musical entertainment, and weather permitting, we enjoy the music outdoors in the Grande Courtyard. So far, we've been lucky to be outdoors.

Was a little cool this particular afternoon! Jackets and blankets needed!

It's a Bird, It's a Plane...

Nope, it's Bowie, in-house therapy dog owned by Lisa McFarland (Activities Director). Bowie participates in dock diving at Duke's Canine Dash and Splash in Mantua, and is quite good. What a great action shot!

July is...

July is National Hot Dog Month! According to the latest online reader polls, while Ball Park Brand Hot Dogs are the best-selling hot dogs in America, the best-tasting are Costco's Kirkland Beef Hot Dogs! Most Americans (45%) prefer their hot dog roasted over a campfire; 28% prefer grilled; 14% boiled; 7% fried in a skillet; 6% microwaved. What's your favorite? **(text HOT DOG to 330 472-3555 for a chance to win a pack of hot dogs!)**

I Scream, You Scream, We All Scream for Ice Cream! **July is National Ice Cream Month.** What is your favorite flavor? While Chocolate Chip Cookie Dough is one of the most popular flavors, these ice cream stores offer very unique, creative flavors – Would you try one?

- Ben & Bill's Chocolate Emporium in Maine is known for its lobster-flavored ice cream, which includes real lobster chunks
- Sweet Action in Denver, CO, sells a goat cheese and beets ice cream cone
- Flavors such as corn-on-the-cob, horseradish pizza, and jalapeno are popular at Max & Mina's in New York City

Calendar

July 4th – Happy 246th Birthday! Fire up the grill and enjoy your community's parade and fireworks. God Bless America!

July 14th -17th – British Open Golf Tournament – watch golf balls sail through the air at the Old Course at St. Andrews in Great Britain

July 19th – MLB All-Star Baseball game at Dodgers Stadium in Los Angeles. This is the 4th time the Dodgers are hosting this fun summer classic. Voting is currently underway, but the Guardians outstanding 3rd baseman, Jose Ramirez, will no doubt represent Cleveland. Stay tuned!
