Campus of Anna Maria Charity Classic Car Show

After taking a “break” last year due to the pandemic, the annual Campus of Anna Maria 2021 Charity Classic Car Show was yet again another supercharged success, raising over \$15,000 for the Alzheimer’s Association, Greater Cleveland Chapter. This was our most successful car show to date, with the largest amount of money raised. About 115 cars registered, ranging from Aurora’s first fire engine to classics from the 30’s through the 80’s. Mother Nature provided us with an absolutely beautiful sunny day. While viewing all the classic cruisers, spectators enjoyed music courtesy of DJ Mike of Cadillac Sound Machine, delicious burgers and dogs, great prizes and raffles. Many, many thanks to all the members of the Anna Maria and Kensington families who volunteered their time to help with this wonderful charity event. A great big “THANK YOU” to all of our sponsors (see page 3 for a complete list) as well as Aurora High School senior Faith Bulone who sang the National Anthem. Awesome job Faith. We believe 2022 will be the ultimate year, with of goal of raising over \$20,000. With your help, we can do this and help make Alzheimer’s a curable, treatable disease.

Jerry Kozlik

Jerry was born to parents John and Yvonne Kozlik on April 28, 1947, at Bedford Hospital. He grew up in Northfield Center along with his four siblings: Joyce, James (Jim), Michael, and William. Jerry experienced a wonderful childhood and has many fond memories. He loved helping his dad “tinker” with cars and boats. His dad once built a boat that they took out on the Cuyahoga River. All was well until the boat hit a branch, and that was the end of that boat. Jerry once snuck behind the garage with his brother Jim to smoke a cigarette, and dad caught the boys. Jerry recalls that was the one and only time his dad was REALLY mad. The family dog, a Labrador Retriever named Husky, used to pull the boys around the backyard in a wagon. More times than not that wagon would tumble over.

Jerry attended Nordonia High School, graduating in 1965. He wanted to attend college, specifically art school, but could not afford it. Jerry did enroll in a commercial art program, however, he soon enlisted in the Army and did not complete the program. After enlisting, he was transferred to Santa Monica, CA, then to San Angelo, TX, to complete a security program which included learning

the Vietnamese language (which he can still speak). In 1969, a few days before his 22nd birthday, he was discharged from the Army on a 3-month early release and returned home to Ohio. He enrolled at Kent State. On the day of the Kent State shootings (May 4, 1970), Jerry parked his car in a “no parking” area. The only reason he was off campus was to move his car to prevent it from being towed. He recalls hearing on his car radio of the shootings, terrified yet grateful that he was off campus.

Jerry graduated in 1974 with a B.A. in Fine Arts, and secured employment with the VA as a vet rep, traveling to different college campuses. He worked with the VA for over 40 years; the pandemic in 2020 forced his hand at retirement.

Jerry never married; came close several times, but never “close enough.” His best advice? “Do what you want – if that’s ballet, do ballet. If it’s the army, join the army.” Good advice we can all learn from. Jerry has been with Anna Maria for almost a year, after a brief stay in the hospital. His “creative juices” still flow as he continues to dabble with his art. We love having Jerry here with us and wish him continued happiness and good health.

Assisted / Independent Living

A look at what is going on...

Asian Lantern Festival

Assisted and independent living residents took a trek to the Cleveland Metroparks Zoo to view the wildly-popular Asian Lantern Festival. With more than 70 large-scale illuminated displays featuring over 1,000 individual lanterns, the Asian Lantern Festival is a “must-see” for anyone living in Cleveland. Live acrobatic performances and delectable cuisine round out the festival. Many thanks to resident Emily Durbin for the use of her van as the Anna Maria bus was out of commission.

Flower Arranging with Ernie

It's no secret that driver / activities assistant Ernie Quesenberry has not one but two green thumbs. He spent an afternoon teaching a few of the ladies the fine art of flower arranging. As you can see, the arrangements turned out quite beautiful. Can you name the type of flowers used?

Beautiful Enhancements to Apartments

How nice it is to step outside and enjoy the fresh air and sunshine. Many residents residing in our apartments can now do that, thanks to the addition of concrete patios. Finishing touches are still in the works and should be complete by the end of the month.

He'd Fly Through the Air, with the Greatest of Ease...

Our resident in-house therapy dog, Bowie, is a dock diver! Here he is "in action" as he continues to jump, earning "distance legs." So far, his farthest jump is 20 feet. Pretty impressive!

Right in our Own Backyard

Nature is alive and well, right in our own backyard (the Grande Courtyard). These pictures of a busy bee and praying mantis were captured by Lisa McFarland. Take a stroll around the grounds of our Grande Courtyard and see if you can catch nature in action. Oh, and you may see a ripe tomato or two in the garden. Help yourself.

A look at what is going on...

Duck, Duck, Goose

Find the lucky duck! Kensington residents Pat M. and Dora Mc. played a fun game involving plastic ducks. Who found the lucky duck?

Hugs are the Best

Sometimes all you need is a hug. Here is STNA Gwen giving a great big hug to resident Richard. HUGS!

Keeping up with the News...

A good, old-fashioned newspaper is still delivered daily, and residents enjoy reading the paper, sometimes along with a nice cup of coffee. Though the news is not always positive, it's always good to stay informed of current events.

Doris J. enjoys the sports page

Bunny B. reads the Aurora Advocate

Hoot, Hoot...

Using paper plates, brown paint, construction paper, and lots of creativity, Kensington at Anna Maria residents created “hoot”iful owl crafts one rainy afternoon. What a Hoot! Did you know that a group of owls is called a parliament? Interesting...

Marjorie L.

Debra G.

Delores S.

Look at the parliament of owls!

Lots of Love and Kisses

Though we have our in-house therapy dog, Bowie, several other “outside” therapy dogs stop by weekly to visit with our residents, offering extra love! Argus, a beautiful black Newfoundland, loves getting up close and personal, while Millie, a white cockapoo, is satisfied just resting on someone’s lap.

Ruth R. with Millie

Entertainer Joel Scigliano

Music has been proven to be extremely beneficial to the older population, increasing happiness, relieving pain and stress, and improving memory. Singer Joel Scigliano was a big hit with our Anna Maria residents, encouraging them to sing along karaoke-style. Joel will definitely be back, as he brought many a smile to many a faces.

Jerry K. has a really good voice

Mary Lou T. thinks she knows this song

Genee H. just taking it all in (what a beautiful smile)

A Bunch of Hot Air...

Up, up and away...Residents got “carried away” letting their dreams “take flight.” With the assistance of our creative activities staff, residents crafted adorable hot air balloons. Variety is the spice of life as different styles of balloons were crafted at the Anna Maria and Kensington buildings.

Dolores H. paints her balloon

Virginia G. is writing something on her balloon

Okay, so when will this balloon take off?

Up, up, and Away! (in my beautiful balloon...)

A Day of Beauty

It was a day of beauty for Kensington resident Pearl. Sometimes that's all it takes to lift one's spirits.

Pretty in Pink

Kensington resident Delores S. looks so pretty with her pink pearls.

Sip and Paint

Though the popularity has weaned a bit, “wine and paint” parties were extremely popular with women looking for a fun evening out. Anna Maria residents re-created this fun by painting their own masterpieces while sipping wine (er, sparkling grape juice). This activity was really a hit and we hope to have another “sip and paint” party soon. Such a creative bunch!

Dorothy V. – such concentration

Frances H. is so proud of her painting

This is easy for artist Jerry K. (our resident profile this month)

Ta-da! How pretty is this painting?
