Anniversary

Happy 72nd Anniversary Ernest and Violet Sarosi!

Congratulations to Anna Maria resident Ernest Sarosi and his lovely wife, Violet, on celebrating 72 years of wedded bliss on June 14. Wow, 72 years is a long time; in fact, 72 years is 26,280 days, and 3,754.3 weeks, but who's counting? We certainly wish this wonderful and loving couple continued good health, happiness, and love. Looking forward to perhaps celebrating a diamond jubilee (75) in three years? Congratulations Ernest and Violet!

Happy 4th of July!

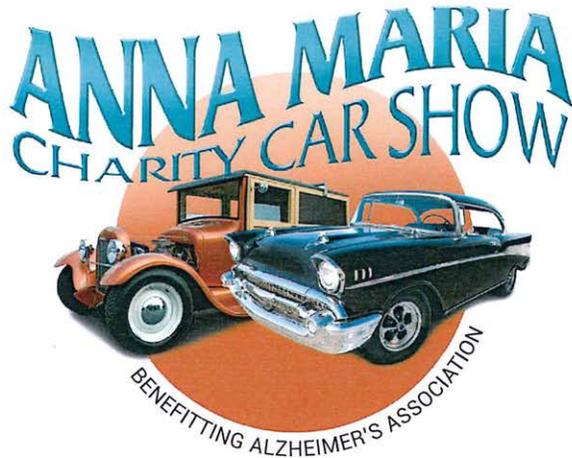

Anna Maria resident Bob Banham wishes everyone a very happy and safe 4th of July. God bless America, land of the free and the brave.

Joey Wedlake

Resident Profile

Imagine growing up in a country where your playground is an indigenous forest and the Indian Ocean, right in your backyard. Kensington at Anna Maria resident Joey Wedlake was born and raised in a small South African town called Knysna, nestled by gorgeous sandstone cliffs and a tranquil lagoon. She was the oldest of 10 children born to Henry and Elizabeth Llewellyn. She recalls a delightful yet typical childhood. After graduation from high school, Joey attended a nursing school in Grahamstown, where she earned a nursing assistant degree. She worked for many years tending to the needs of elderly patients.

Joey met her future husband, Henry Fitchet, at a dance, and the two married three years later. The couple was blessed with three lovely children: Annalise, Peter, and Leon. Joey and Henry were married for 25 blissful years before Henry passed away.

Joey soon found happiness again with an Englishman named Dennis Wedlake. The family moved to England. Sadly, Dennis passed away after only a few years of marriage. After his passing, Joey relocated to the U.S., where she lived with her daughter, Annalise, in San Francisco, taking care of three of her six grandchildregrandchildren: Mikayla, Kiara, and Talia.

Joey moved to Kensington at Anna Maria a few months ago, and she's made new friends. One can't help but like Joey Wedlake. She's a "people person" and enjoys puzzles, music, trivia and exercise activities. Her favorite motto? Look to the future, don't live in the past. May God continue to bless our Joey Wedlake with good health, happiness, and love.

EMPLOYEES OF THE MONTH:

JULY Anna Maria of Aurora
Betty Eden, Payroll.

Congratulations to our Anna Maria Employee of the Month, Betty Eden, Payroll. Betty has quite a few “moving parts” to balance each week, each with stern deadlines. She handles her work day in stride and with silent confidence. Betty has recently taken on additional responsibilities, adding to her already hectic day, however, one will always see a pretty smile on her face. She welcomes questions from employees (especially on payday) without hesitation, giving them her full attention. We couldn't be happier to have her on our team. Congratulations and keep up the good work!

JULY Kensington at Anna Maria
Susan Farmer, Social Services.

Congratulations to our Kensington Employee of the Month, Susan Farmer, Social Services. Susan always goes above and beyond to take care of all of our resident's needs. She handles difficult situations with a smile and always advocates for our residents. No matter the situation, Susan always has a positive attitude. When you see her in the halls, she is with a resident helping them or just catching up with them to see how they are doing. She truly cares and her positive attitude and smile do not go unnoticed. Congratulations Susan and keep the positivity up!

Congratulations, Caitlin Primiano!

Congratulations to Caitlin Primiano, Physical Therapist, who recently five years of dedicated service with the Family Tree Rehabilitation Services branch of the Campus of Anna Maria. Caitlin was surprised with a lovely cake, a gift card, and celebratory words of appreciation for her hard work and dedication to our residents. We appreciate you!

Caitlin with her boss, Phil Halstead

Now That's Dedication!

If you can't beat 'em, join 'em! That was the attitude of Anna Maria Cook Margie Boehm as she realized that despite the rain, those hamburgers needed to get cooked! Margie and her trusty umbrella were out in the rain one fine afternoon, cooking burgers for our residents to enjoy for dinner. Thank you Marge for your dedication and determination.

Wedding Bells Were Ringing...

Congratulations to Anna Maria Clinical Scheduler Katie Moore and Activities Assistant (Atrium) Rebekah Troutman on recently exchanging wedding vows. The day was absolutely beautiful (the rain stopped and the sun came out). Many co-workers from Anna Maria were on hand (like Scheduler Stephanie Bellamy and Staff Development Katie Geiser) to celebrate the joining of love of Katie and Rebekah. Congratulations!

Waiting, Patiently...

Genee Hawkins and Maina Consolo wait patiently for directions on a crafting activity. Did you know that crafting is one of our residents' favorite activities? Keeps the mind sharp and the fingers nimble. You go, girls...

Lions, and Tigers, and Bears.... Oh My...

Anna Maria and Kensington resident joined forces and enjoyed the wonder and splendor of the Cleveland Metroparks Zoo. Luckily, the weather cooperated nicely, allowing many of the animals to roam freely about their surroundings. The favorite of the residents? The elephants and the rhinos.

Stained Glass

Teamwork is dreamwork as Kensington at Anna Maria residents found out as they created these most beautiful pieces of stained glass. Working together, placing one by one these delicate pieces of tissue paper in proper placement to create these intricate pieces of art. Simply beautiful.

Light up the Night...

The courtyard at Kensington is awash with light once the sun goes down, courtesy of the solar landscape lights crafted with love by the residents. The Kensington courtyard is a really nice, relaxing, calming area with beautiful landscaping. We invite you to check it out.

Enjoying the Nice Weather!

Anna Maria residents Ida Tonti and Genee Hawkins took advantage of a non-rainy evening to enjoy dinner in the Courtyard. STNA Vera Jones kept these lovely ladies company.

Beartown Lakes

Beartown Lakes, in Chagrin Falls, is a small park in the Geauga County park system. It's a great place to enjoy a leisurely walk on one of the trails, or enjoy a picnic with family and friends. Residents took advantage of the latter as the park has a lovely pavilion with awesome views of the lake. Bowie (our beloved therapy dog) entertained the group with his stick-fetching abilities while they dined on pizza and salad. What a great way to spend a sunny afternoon.

A "Zoo"per Day!

Independent and Assisted living residents spent a "zoo"per day at the zoo, exploring and enjoying the antics of all the wonderful animals. A flock of ducks put on quite the show, as did a brown bear. Always a good time at the Cleveland Metroparks Zoo; never too old to enjoy.

Mary, Mary, Quite Contrary...

How does your garden grow? Very nicely, thank you, according to Carol Hays, one of our volunteers. Carol resides in Solon and has an AMAZING garden. She invited our residents to an afternoon garden party, relaxing and just enjoying the beauty of her garden. Unfortunately, we arrived just in time for one of the many June downpours, but the rain did not dampen the afternoon. We sat in her enclosed, roofed porch, munched on homemade cookies, and admired from afar. Many, many thanks to Carol Hays for opening her home to us; we certainly appreciate it.

Lunch at Perkin's

The crew enjoyed lunch at Perkin's in Hudson. Always a delicious choice, especially when lunch is followed by a slice of pie!

Breaking Bread with Friends

We are fortunate (very much so) to have an employee gifted with the talent of baking THE most delectable baked goods and breads. Izolda Gutuescu, Dietary Supervisor at the Atrium, hails from Romania where she perfected the art of baking. She recently held a demonstration for our residents on the secret to making bread. We sampled the bread (along with homemade honey made from Izolda's bees – she's also a beekeeper) and words cannot describe just how delicious this bread was. Many, many thanks to Izolda for sharing her talent with us.

Intergenerational Fun

With Brownie Troop #70846. These adorable brownies stopped by to play games with our assisted living residents. Classic games like Trouble, Sorry, and Go Fish! Were enjoyed by young and old alike. Thank you to our new friends; come back anytime!

Good Friends are Worth a Million

These ladies sure do agree that good friends are forever golden.

Ronnie, Eve, Nina, and Marie – Friends Forever!

Happy 101st Birthday Bunny!

Independent Living resident Bunny Bierly celebrated her 101st birthday last month with family and friends and a most delicious cake. Bunny's granddaughter and her music teacher provided musical entertainment (piano and violin). Bunny is an amazing woman and we certainly wish her continued good health and happiness as she deserves it.

Friends enjoy the beautiful music

Brennan's Fish House

Aahh, there's nothing like enjoying a delicious meal right by the water's edge. Norwood residents took a long trek to Brennan's Fish House in Grand River, Ohio, about five minutes from Mentor Headlands State Park. Brennan's is known for their seafood entrees including fresh Lake Erie Perch and Walleye. AL / IL Activities Director, Lisa McFarland, and her husband, Rand, live five minutes from Brennan's, and invited the crew back to their house for dessert and coffee. Thank you, Lisa, for your hospitality!

Residents enjoy dessert at Lisa's house – thank you Lisa!

The Campus of Anna Maria and Recycling – Mission Possible

In a perfect world, recycling would be second nature for everyone. The reality, however, is far from ideal. Did you know that in the past decade alone, people have produced more plastic than they did in the entire (yes, entire) previous century? Sadly, 90% of this plastic did not get recycled. It can take up to 700 years for plastic to decompose (break down) in a landfill. That's a long, long time.

**** We at the Campus of Anna Maria are dedicated to making a difference with this every-growing problem of waste, as it is our responsibility to conserve and reduce our waste to ensure our country remains beautiful for future generations. About nine months ago, a recycling program was initiated by Office Manager Joann Poremba at the Anna Maria building. We are proud to report that our 8-cubic yard recycling container is now picked up twice a week, bursting at the seams with recyclables. Blue recycling containers are strategically placed throughout the building, specifically in high-traffic areas like the lunch room. Though we have a long way to go, we are definitely off to a "green" and positive start. We hope to expand our recycling program to the Kensington and Atrium buildings in the near future. We appreciate your efforts in helping us reduce our carbon footprint on our earth. Any questions, comments, or feedback, please see Office Manager Joann Poremba.

Executive Director of HR, John Jones, is an avid recycler
